To whom it may concern:

My name is [REDACTED] my 'C.C.D.O.C.' # is [REDACTED] And I Am presently Detained at Cook County Jail at 26th California, on various charges that arises out of the incident that I am about to explain to you.

On Oct, 10 2012 I was traveling west bound on 79th street, A Chicago Police vehicle, "tahoe", was traveling east bound on 79th. And once I drove pass them, they made a u-turn and started traveling west bound on 79th behind my vehicle, this was right beyond 79th Lafayette, "why", they said my front head lights were out, which was a lie, "but", the police were just following me, not at any time did they cut their lights or sirens on to try and curb me or get me to pull over.

I continued to travel west on 79th until I approached Union Street and still not at any time did the police turn on any lights or sirens, I made a right turn on 79th Union and began to travel ~~south~~ From south to north on Union, still no lights or sirens or any police trying to curb me, In fact it took the Chicago police a minute or two to turn behind me on Union.

Now at this time I am sitting at the stop sign on 78th Union about to proceed to go on to 77th Union and at no point did the Chicago police cut on any lights or sirens, "and I am obeying all the rules of the road," As I approach the stop sign on 76th Union I came to a complete stop, and as I proceed to go through the "stop sign" at the intersection another Chicago police car was traveling at a

UNKNOWN high Rate of speed coming westbound on 76th Flying out of no where with no lights OR sirens going at all, I did not know and or had any warning what so ever that the police would run the stop sign and keep going at a high rate of speed as they see me continuing to proceed through the intersection, "the police vehicle" ran through its stop sign and ram my car causing it to flip over, "severely injuring me" and destroying my vehicle; And that's when the Chicago police vehicle decided to turn their lights and sirens on that was behind me.

Now I find myself with various charges all because of the carelessness reckless and disregard of human life and conduct of a officer, "with the assistance and help of fellow officers, the ones that were following me" covering up and helping the other officer fabricate evidence solely to hide the facts of the reckless disregard of others while on duty and what ever he was doing when he ran the stop sign at 76th union ramming my vehicle causing it to flip over.

One of the main reasons these police officers are conspiring with each other is that, the police vehicle "the tahoe" that was behind me camera caught or should have caught the whole incident and will show and prove my innocents, "especially if they had their lights and sirens on. And I even had the judge to subpoena the tapes to court to be reviewed but the Chicago police department is lying, saying; the footage was destroyed during the incident, How? when the tahoe was never involved in the accident. Even if their vehicles would have caught on fire or been destroyed, the video footage would have not been, so I need help in finding this footage and having it brought to court in front of my judge.

And I am writting this letter in exhausting my Remedies as proof to my judge and the federal court in the civil complaint about the incident. I am filing against the Chicago police dept. and these officers.

I am writing this Affidavit and having it notarize to show that I am send a copy of a letter to the Independent Police Review Authority and also to the Office of Independent Police Review to show that I sought other avenues to find a solution to my fabricated charges and to exhaust all of my grievances to the Chicago Police Department to bring closure to this incident in a timely manner and or manner. I here by state that this Affidavit is made in good faith of the State of Illinois Circuit Court and the Federal Court Northern District of the U.S. District Court, to show that I tried filing grievance with the right people in the Chicago Police Department before I sought to file a civil complaint against all parties involve and or that will be included in future civil litigation against the Chicago Police Department and the City of Chicago because I feel that I have been unjustly discriminated against and racially profiled and truly my Constitutional Amendments has been violated for no reason than to cover up unlawful behavior by the Chicago Police Department.
